Vision

To develop a Muslim generation capable of critical, creative and ethical thinking who are Muslims by conviction and who will strive to fulfill their role as Allah's vicegerents on earth.

Mission

To develop strong and highly educated Muslims for whom Islam is a complete way of life. This is achieved by developing a balanced and wholesome Islamic personality whereby one's behaviour and attitude are guided through training of the spirit, intellect and emotion as well as developing a sound and healthy body.

Philosophy

Our philosophy is based on the concept of Tawheed which entails the acknowledgement of Allah as:

- The One and Only Lord of the universe.
- The All-Knowledgeable (Al-Alim).
- The One and Only God worthy of worship.
- The One and The Only God and that nothing resembles Him in His Names and Attributes.
